Thanks so much Regan. Appreciate it! Our emergency operations centre will be monitoring this all weekend so I'll keep you in the loop if/as things develop.

Amanda,
Sounds like this wouldn't have any negative impact on us. We have no objections to the lot being used.
Thank you,
Regan

Hi Regan,
It's the City. It would be if Wellington gets too congested, they would ask vehicles to stage there and participants would be able to take transit downtown.
Thanks for considering it.

Amanda,
Is the city asking us to use the lot or those organizing the demonstration/convoy?

Hi Regan,
Per below, our Traffic Services has reached out for support in staging trucks participating in the demonstration this weekend. Roads Services will take care of any required snow removal for this purpose. We're light on details as far as number of trucks that will be in Ottawa, RCGT would only be as precautionary measure if overflow is required.
Would this be possible with your current operations?
Thanks,
Amanda

Subject: Use of RCGT parking lot
Hi Amanda,
Thanks for taking my call! As discussed, we are looking to obtain permission to use the RCGT parking lot for the overflow of vehicles that arrive for the trucker convoy (between evening Friday, 28 January 2021 and Sunday, 30 January 2021). This site is ideal as those you won't fit on Wellington, can take a quick train ride (if they so choose) to demonstrate at Parliament Hill.
I've spoken to Roads and they will send someone by the lot to see what type of snow clearing is/may be required.
Thanks for your help!
Michelle
